Dear Families of Yucca Council,

We are thrilled to announce that the Yucca Council Board of Directors has voted and decided to become a Family Scouting early adopting council. With your help we will welcome girls into our current Cub Scout packs as well as create new packs just for girls!

If you decide to invite girls now, as part of our early adopter program, you must agree to these simple but important requirements:

- Commit to use online registration through the beascout.org website
- Your Charter Organization Representative must first update your unit pin on beascout.org
- Your Cubmaster, Committee Chair, or Unit Be A Scout Administrator must also update your unit pin on beascout.org after the Charter Organization Representative
- You must commit to having trained leaders
- You must commit to accomplishing rank advancement by May 31st, 2018, giving your new girls the opportunity to earn their first ranks
- You must register at least four girls in your pack and commit to having single-gender dens

The BSA's program for older girls, which will allow them to earn the highest rank of Eagle, will be announced later in 2018 with projected implementation in 2019. The BSA is committed to serving youth, families and communities through programs that deliver character development and values-based leadership training for young people. To that end, the BSA continues to evaluate how to bring the benefits of Scouting to the greatest number of youth possible—all while remaining true to our mission and core values, outlined in the Scout Oath and Law.

For more information please visit: www.yuccabsa.org/family-scouting/67944. Additionally, you may contact your District Executive or the Yucca Council Service Center at 915-772-2292.

Thank you for your support during this exciting time for the Scouting movement,

Mario Perez
Yucca Council Scout Executive
