Additional things to think about

- 1) **Zombie Theater:** Every Troop is encouraged to have a skit at the campfire on Saturday night. Most importantly...EVERY skit must contain something about Zombies! It's time to get creative with a new skit or by reworking some of those old skits that we see every Camporee. Costumes are encouraged. An award will be given for the best and most original skit.
- 2) **Make Your Own Zombie T-Shirt:** Each troop should prepare their shirts prior to the Camporee. Instructions for making a Zombie T-Shirt: 1. Tear your t-shirt. A zombie won't be walking around in a perfect, clean t-shirt. Study the shirt and determine where you'd like to tear the fabric. Pick locations that won't overexpose you and that will be comfortable. 2. Use scissors to cut into the fabric as the shirt can't be easily torn. Scissors can widen the tears and help to create a frayed effect on the shirt. Don't over-cut and be sure that the slices in the clothing aren't too perfect. 3. Place fake blood in strategic locations on your t-shirt. Because fake blood has a tendency to dry lighter on fabric, you will need to apply several coats of blood in order to achieve a more realistic color. 4. Rub dirt on your shirt so that it will have a more stained appearance. Zombies will be rough as they hunt their prey, so you need to make the shirt look as if it has been through many encounters. You can also push the t-shirt against grass in order to add grass stains to the material. 5. Check the back of the shirt to make sure that you have cut and stained that surface, too. Don't just focus on the front of the shirt because the back should reflect the hard times that zombies also encounter.

Awards

Zombie Spirit/Costume Contest To be held at evening campfire and includes the above t-shirts and make-up. This award will go to the Troop with the highest percentage of participating individuals combined with the best costumes/make-up and the leader most like a Zombie from the above Costume Challenge.

Zombie Cook Off Every unit needs to produce a main dish, dessert, or appetizer based on the Zombie theme. These will be judged by the camporee staff at supper on Saturday. The recipe should be included with every submittal. Please be aware that poisoning of the staff will not be looked upon favorably and is grounds for disqualification.

Zombie Apocalypse Survival Team Champions Who will lead and save the human race in the event of a Zombie invasion? This award will go to the patrol that earns the most points during the day's events.

Best Station Which troop will walk away with the prize and a years' worth of bragging rights for the best station. Everyone will vote on their favorite station. You cannot vote for your own so make it good so everyone will vote for you!
